CONGRATULATIONS!

Dear Mr. Gomindes,

This comes as a ray of hope in today's rather unprecedented times. Looking at your institute fare remarkably well despite what is apparently the worst time in the history of travel industry is nothing short of an inspiration. I congratulate you on your relentless endeavours, perseverance and dedication that led you to our list of **Top 10 Travel Institutes of 2020**.

Henry Ford once said, *"When everything seems to be going against you, remember that the airplane takes off against the wind, not with it."* Indeed your institute caught the essence and operated innovatively in a mindful manner, bringing right trainings to the learner at the right time, the right way. Your place in the top 10 list is a testimony to that.

During this remarkable achievement, I reaffirm CALLEO's unremitting commitment to our association and bringing latest technologies as CALLEO-OLP, the Online Learning Platform with built-in artificial intelligence and machine learning to provide automated services of highest quality to your institute. With our eyes set on the future, irrespective of the unpredictable nature of the present times, I, together with team CALLEO, step forward with you to charter new territories and exceed all previous accomplishments.

My heartiest congratulations to you and your team, and best wishes for the future.

Sincerely yours,
For Calleo Distribution Technologies Pvt Ltd.
